Hi Coasters

HAPPY NEW YEAR!

I hope your new year has started well and will continue to treat you well in the months to come.

This is just a short note to start our year. Coasters' calendar is pretty full so, whatever your musical theatre interest, there should be something for you to get involved in and enjoy during the year.

We start, of course, with Jo Sharp's production "Larf a Minute". The title says it all really and if you have enjoyed Jo's previous shows you can be sure you will not want to miss this one whichever side of the footlights you may be situated. The show will come to stage in March and April but if you want to be a part of it the time to be thinking about it is NOW. A Pre-Audition get-together will be held at **7.30 on Wednesday January 12th** followed by Auditions on **Saturday 15th** so note your diaries and let's meet up there.

#15 – The New Look

5th December

8th December

End of December

Coasters Calendar - 2011

Membership

It is that time of year again when we have to remind you that our financial/membership year expired on 31st December. But don't panic. As long as you renew your membership before 28th February you will reap the benefits of our generous discounts. A renewal form is attached. Please complete it and send it, along with your cheque, to our box number.

And finally for this issue...

You will have seen that our property at #17 has been occupied for some considerable time by various contractors working on the double tracking of the railway up to Waikanae. The most recent activity there has related to the installation of signalling which has involved the laying and testing of many kilometres of cables and wires and the conduits necessary to carry them. The tenants are soon to depart and among the "stuff" they will have to remove are a large number of cable drums of various sizes.

They are available for removal if anyone wants any of them. The site manager has suggested that they are often used by kindergartens and childcare centres for various purposes. Some of the larger drums would make excellent tables and smaller ones could be used to create outdoor play items.

If anyone has contacts with groups who might be interested in any of the drums, please email or call me – 06 364 3939 –and we can organise something.
